Memories . . .

light the corners
of my mind.

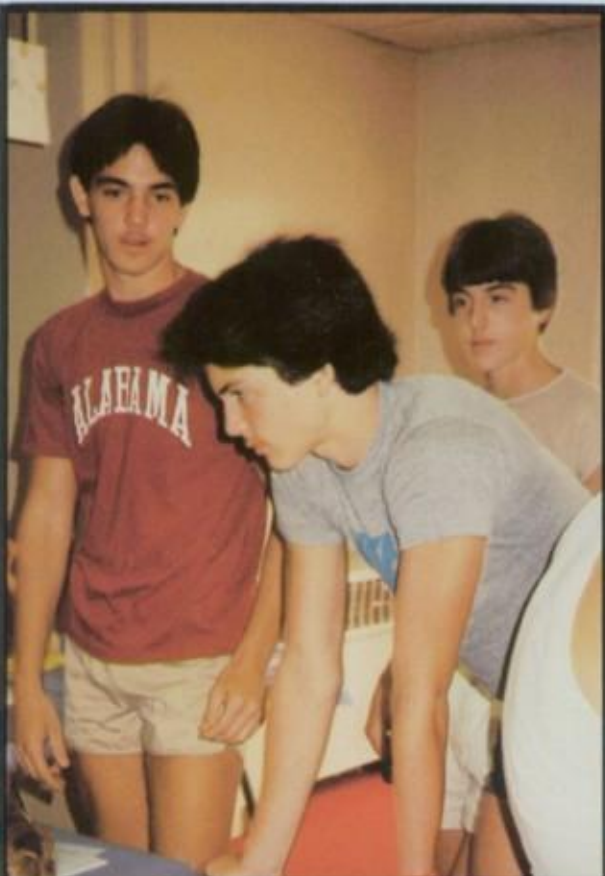

Misty watercolor memories

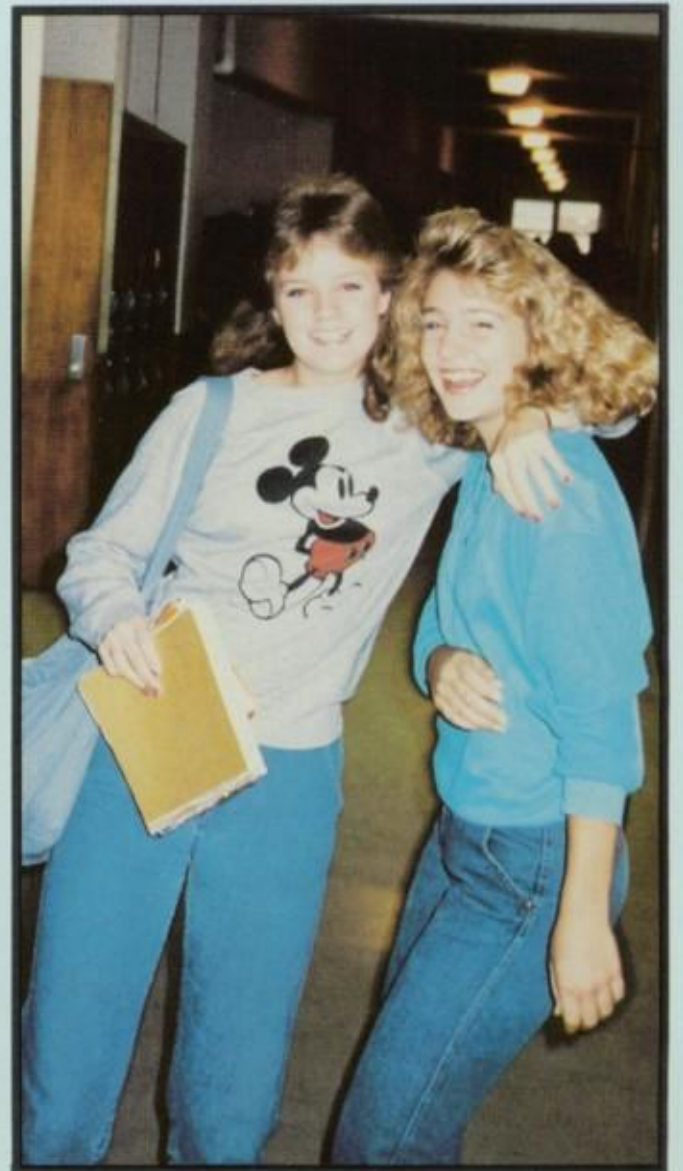

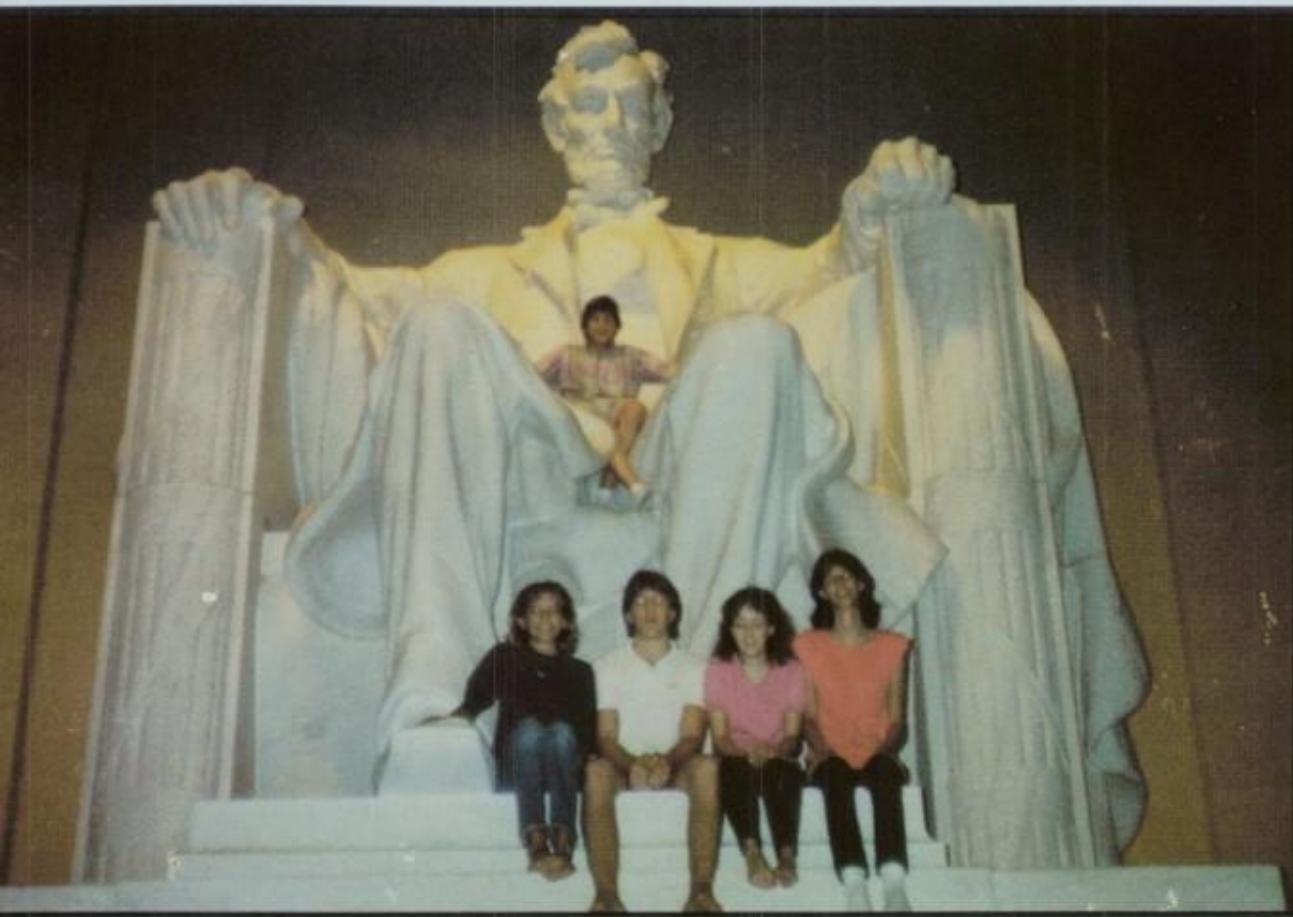

of the way we were.

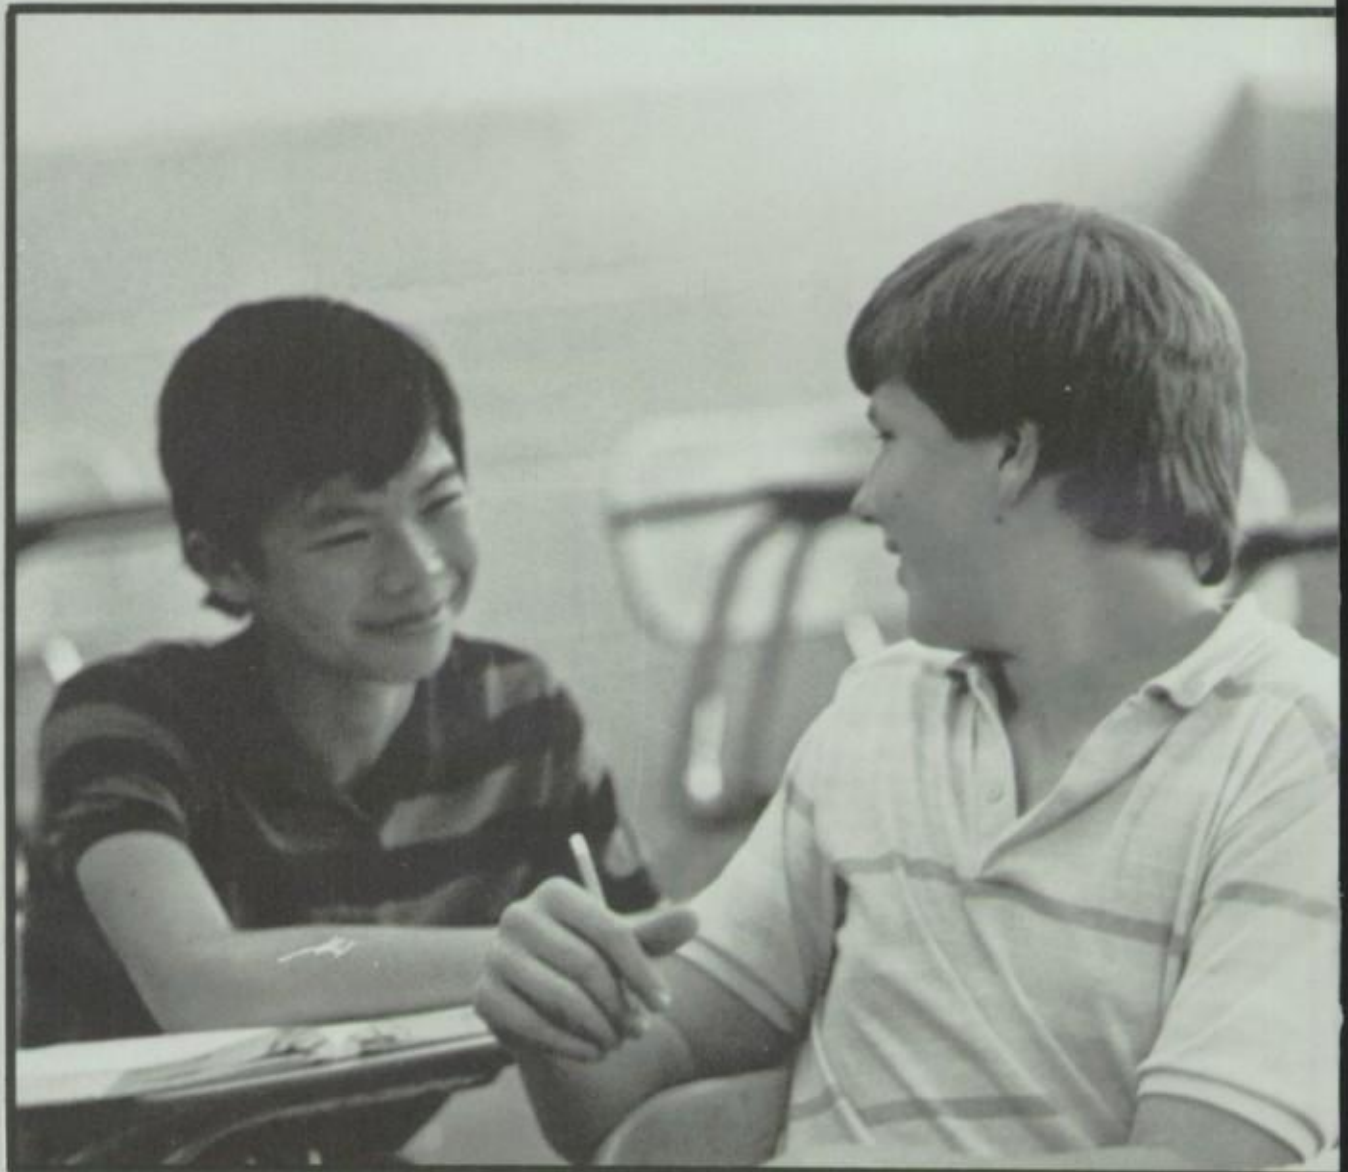

Scattered pictures

of the smiles
we left behind.

Smiles we gave

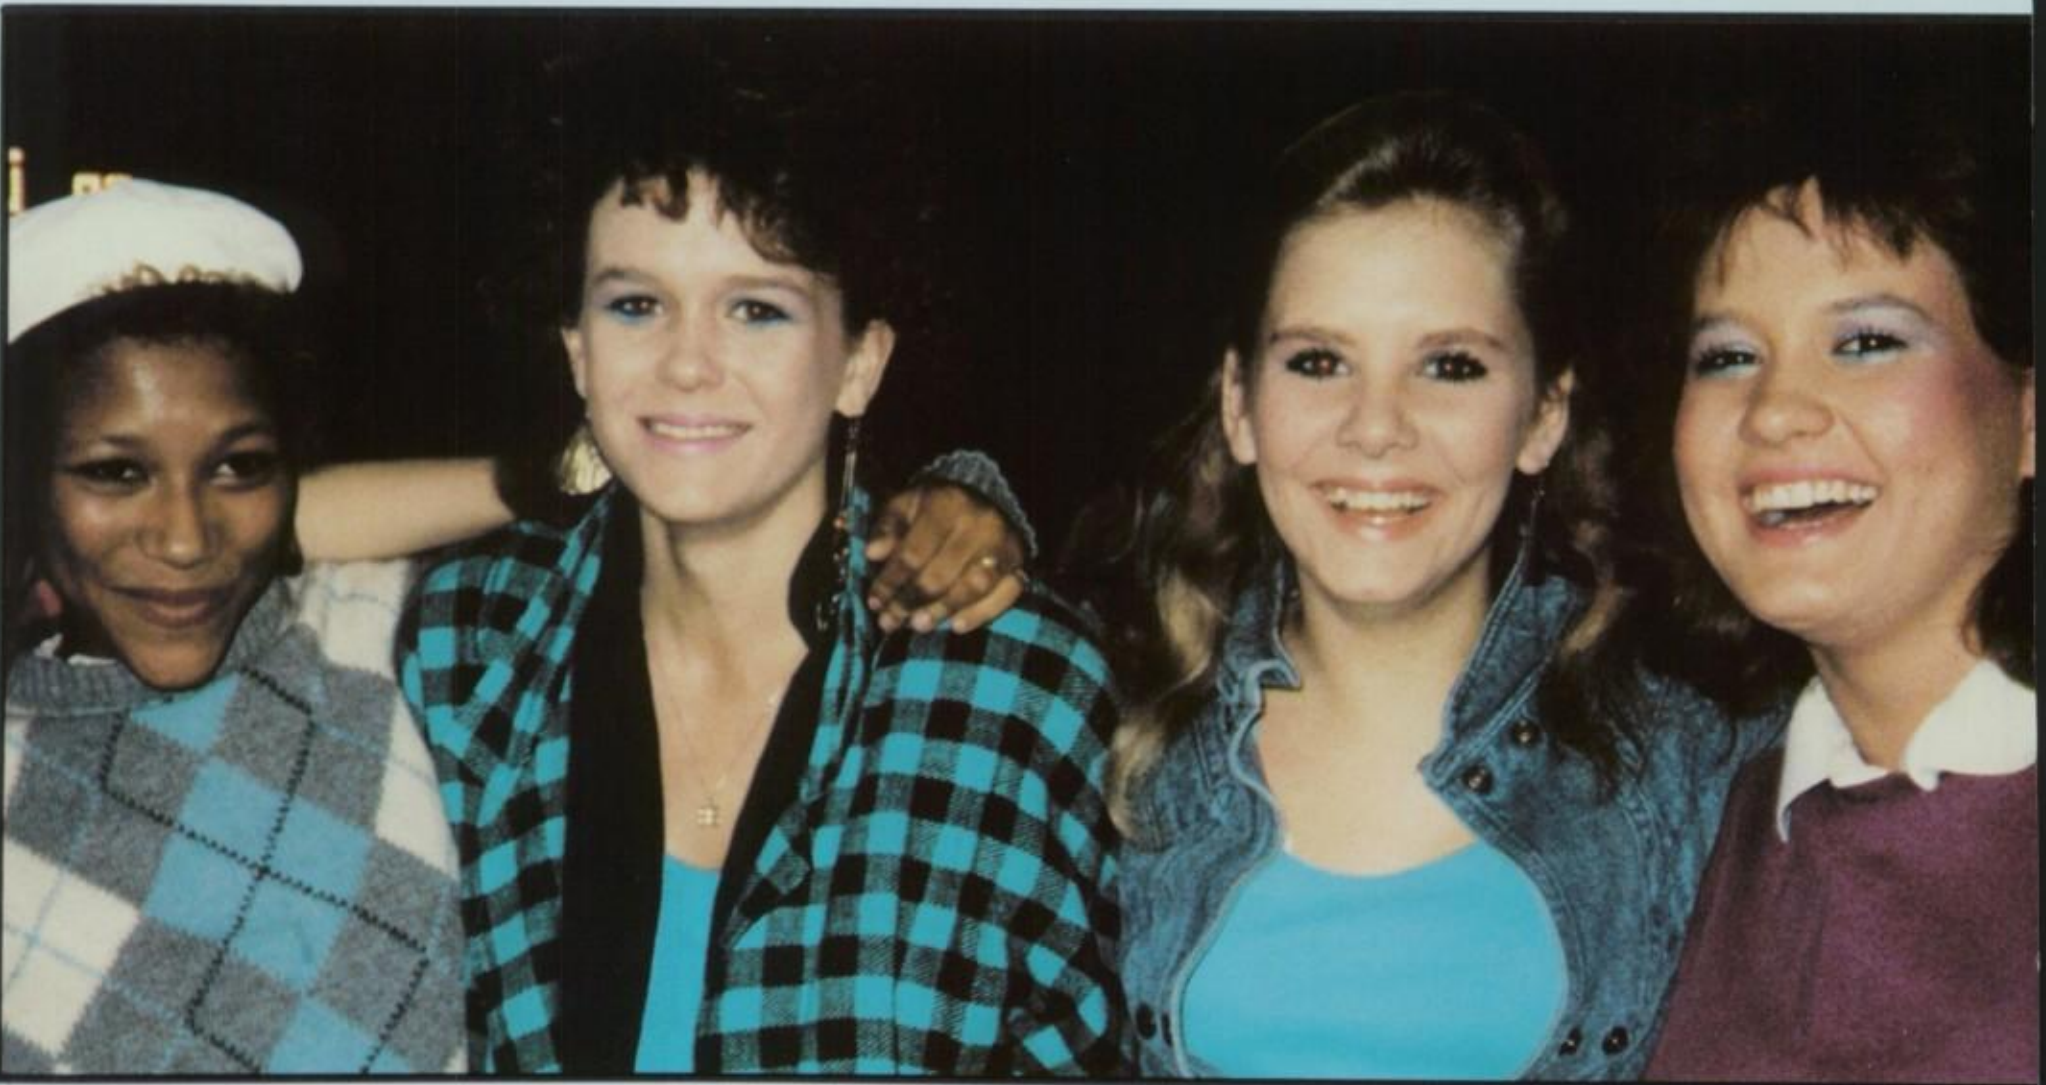

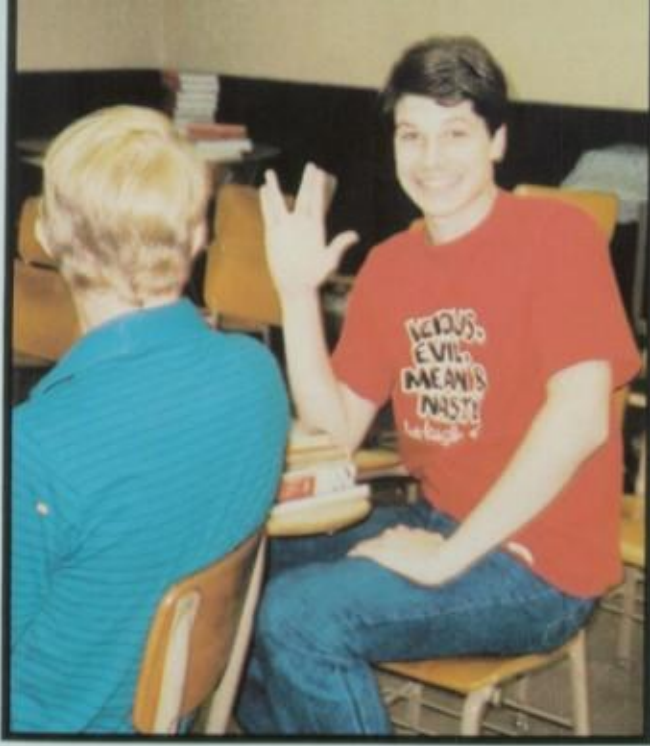

to one another,

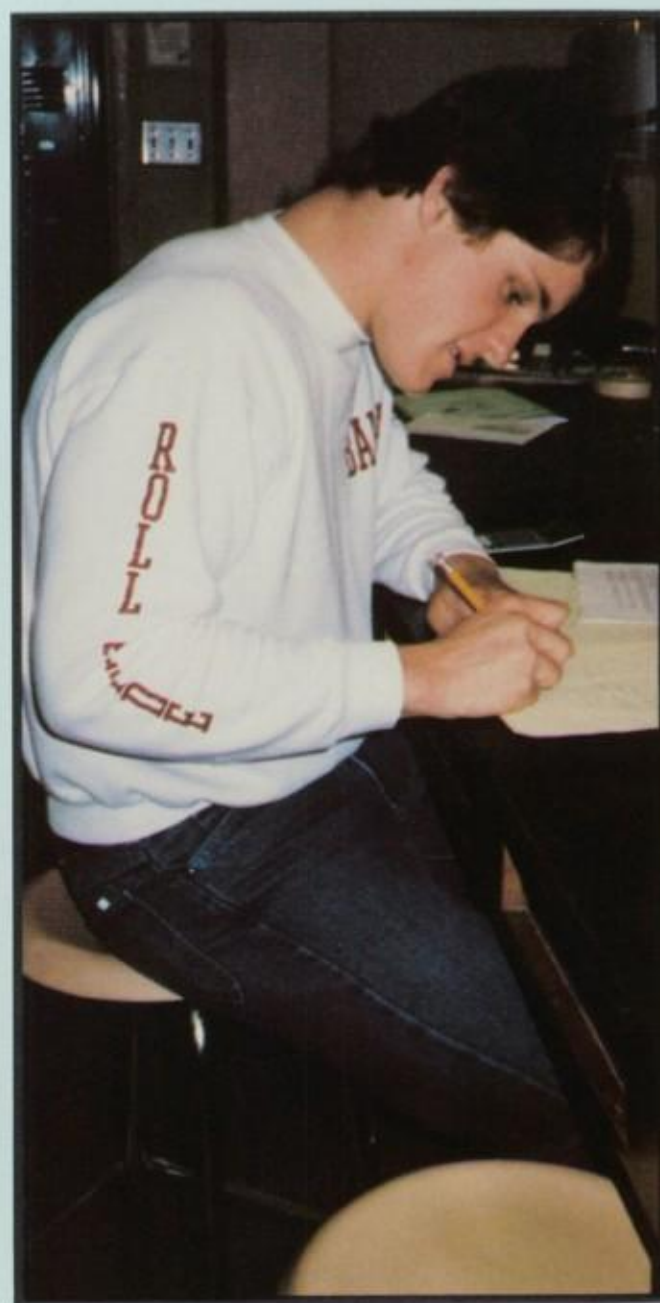

for the way we were.

Can it be that

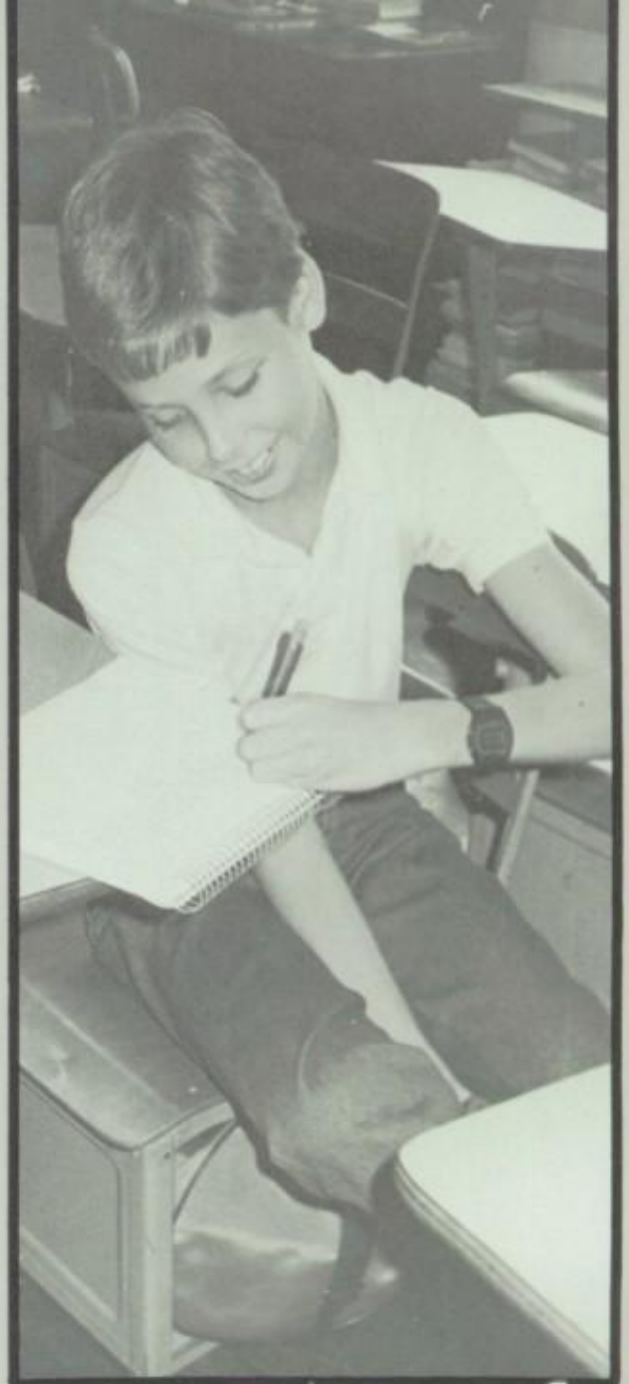

it was all so simple then,

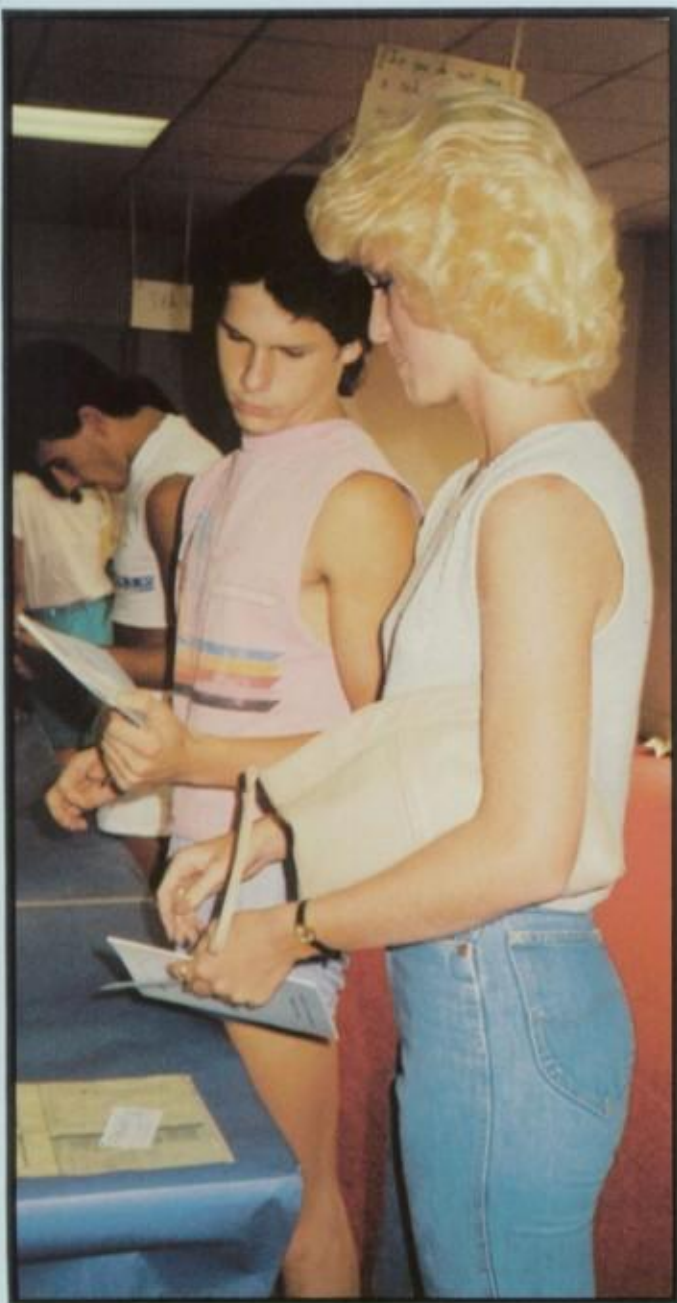

Or has time

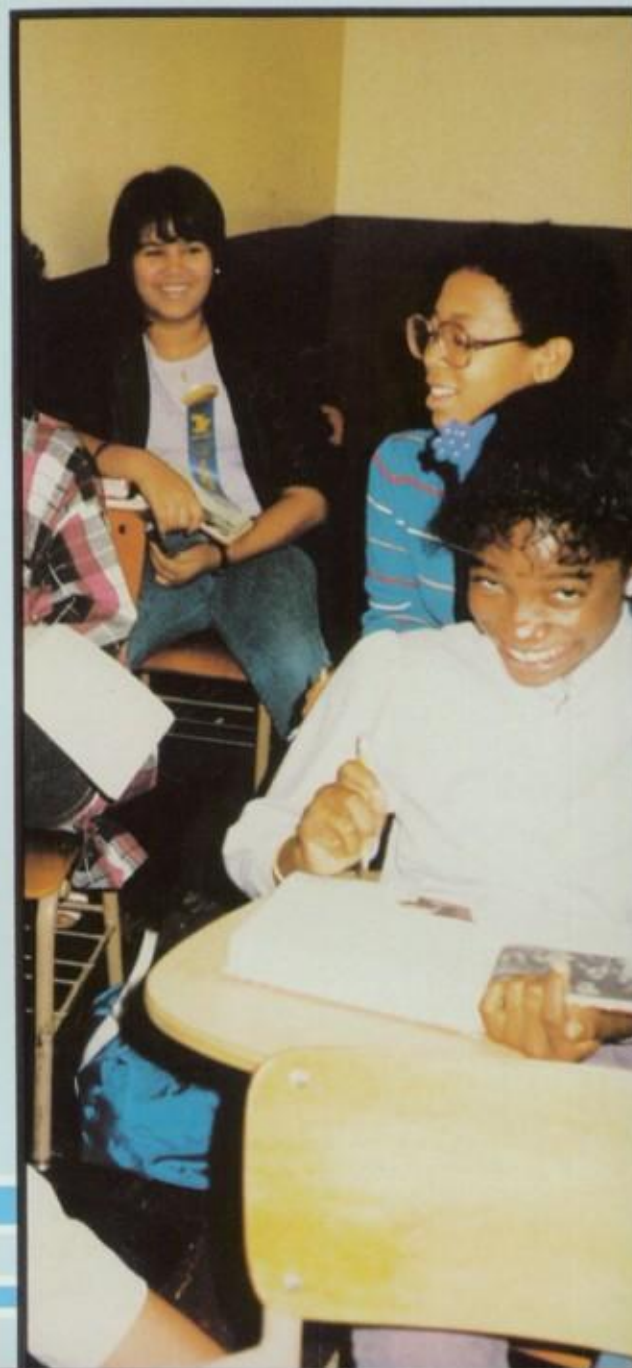

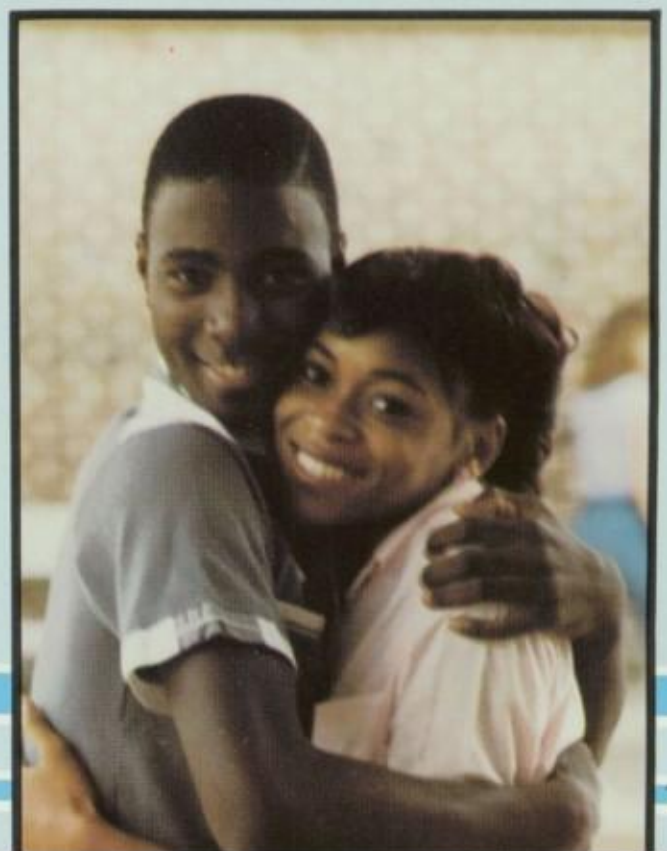

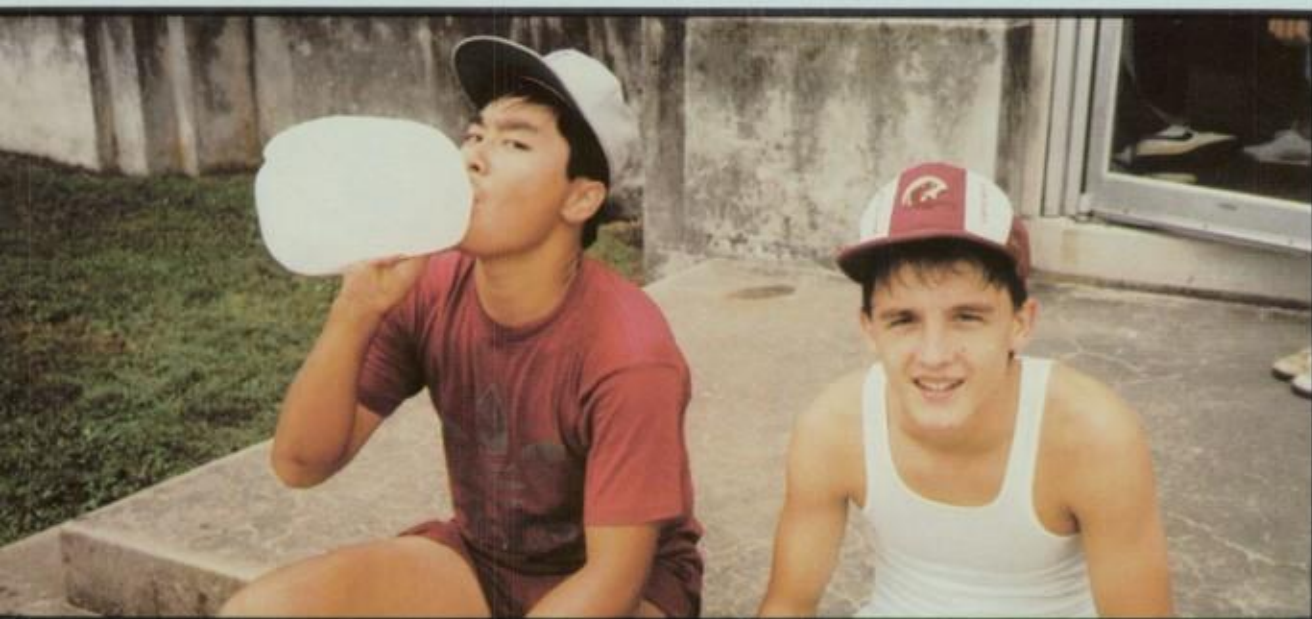

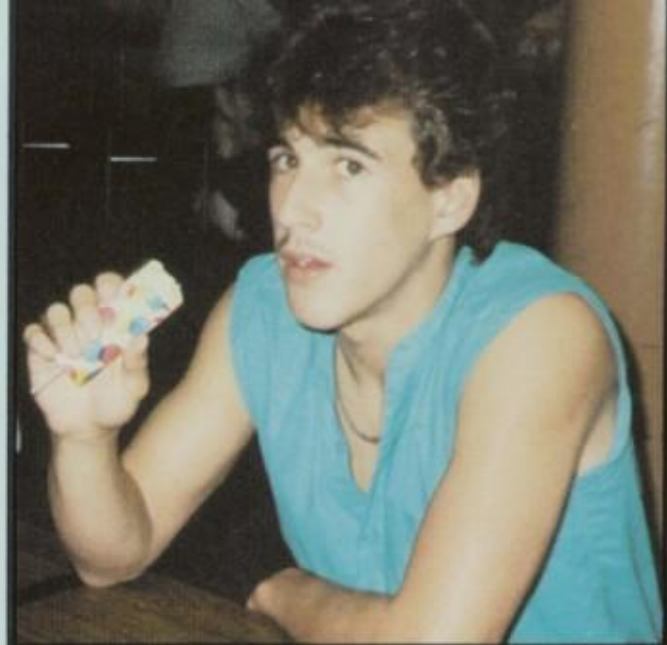

rewritten every line?

if we had the
chance to do it

all again, tell me

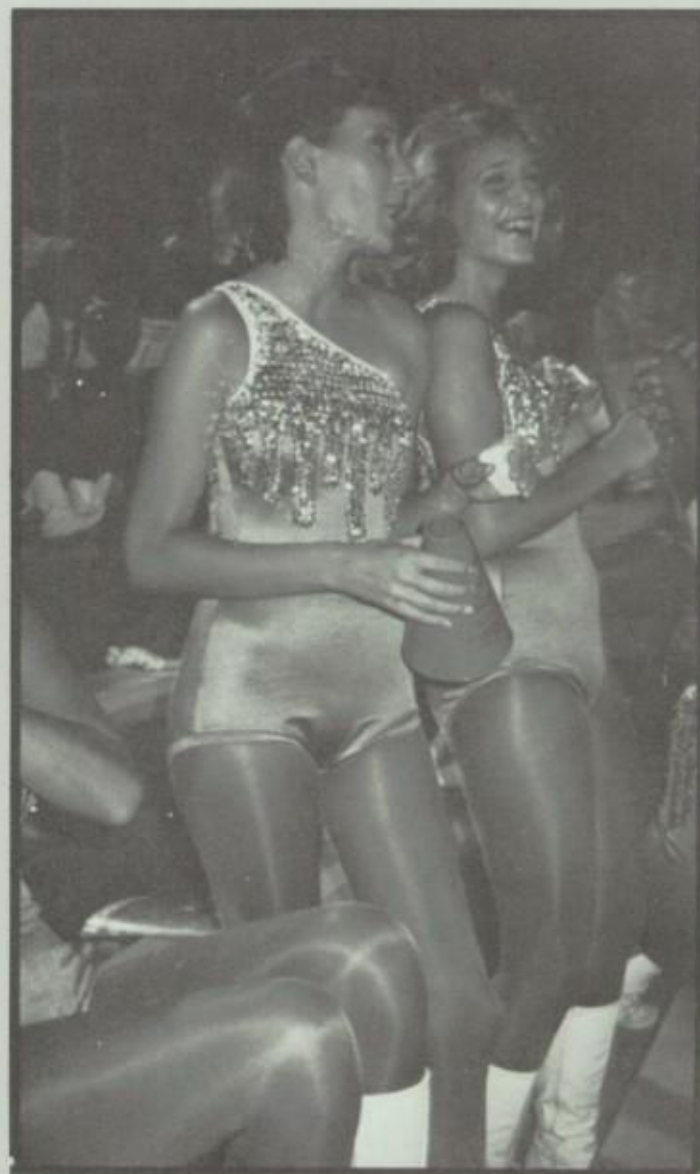

would we? Could we?

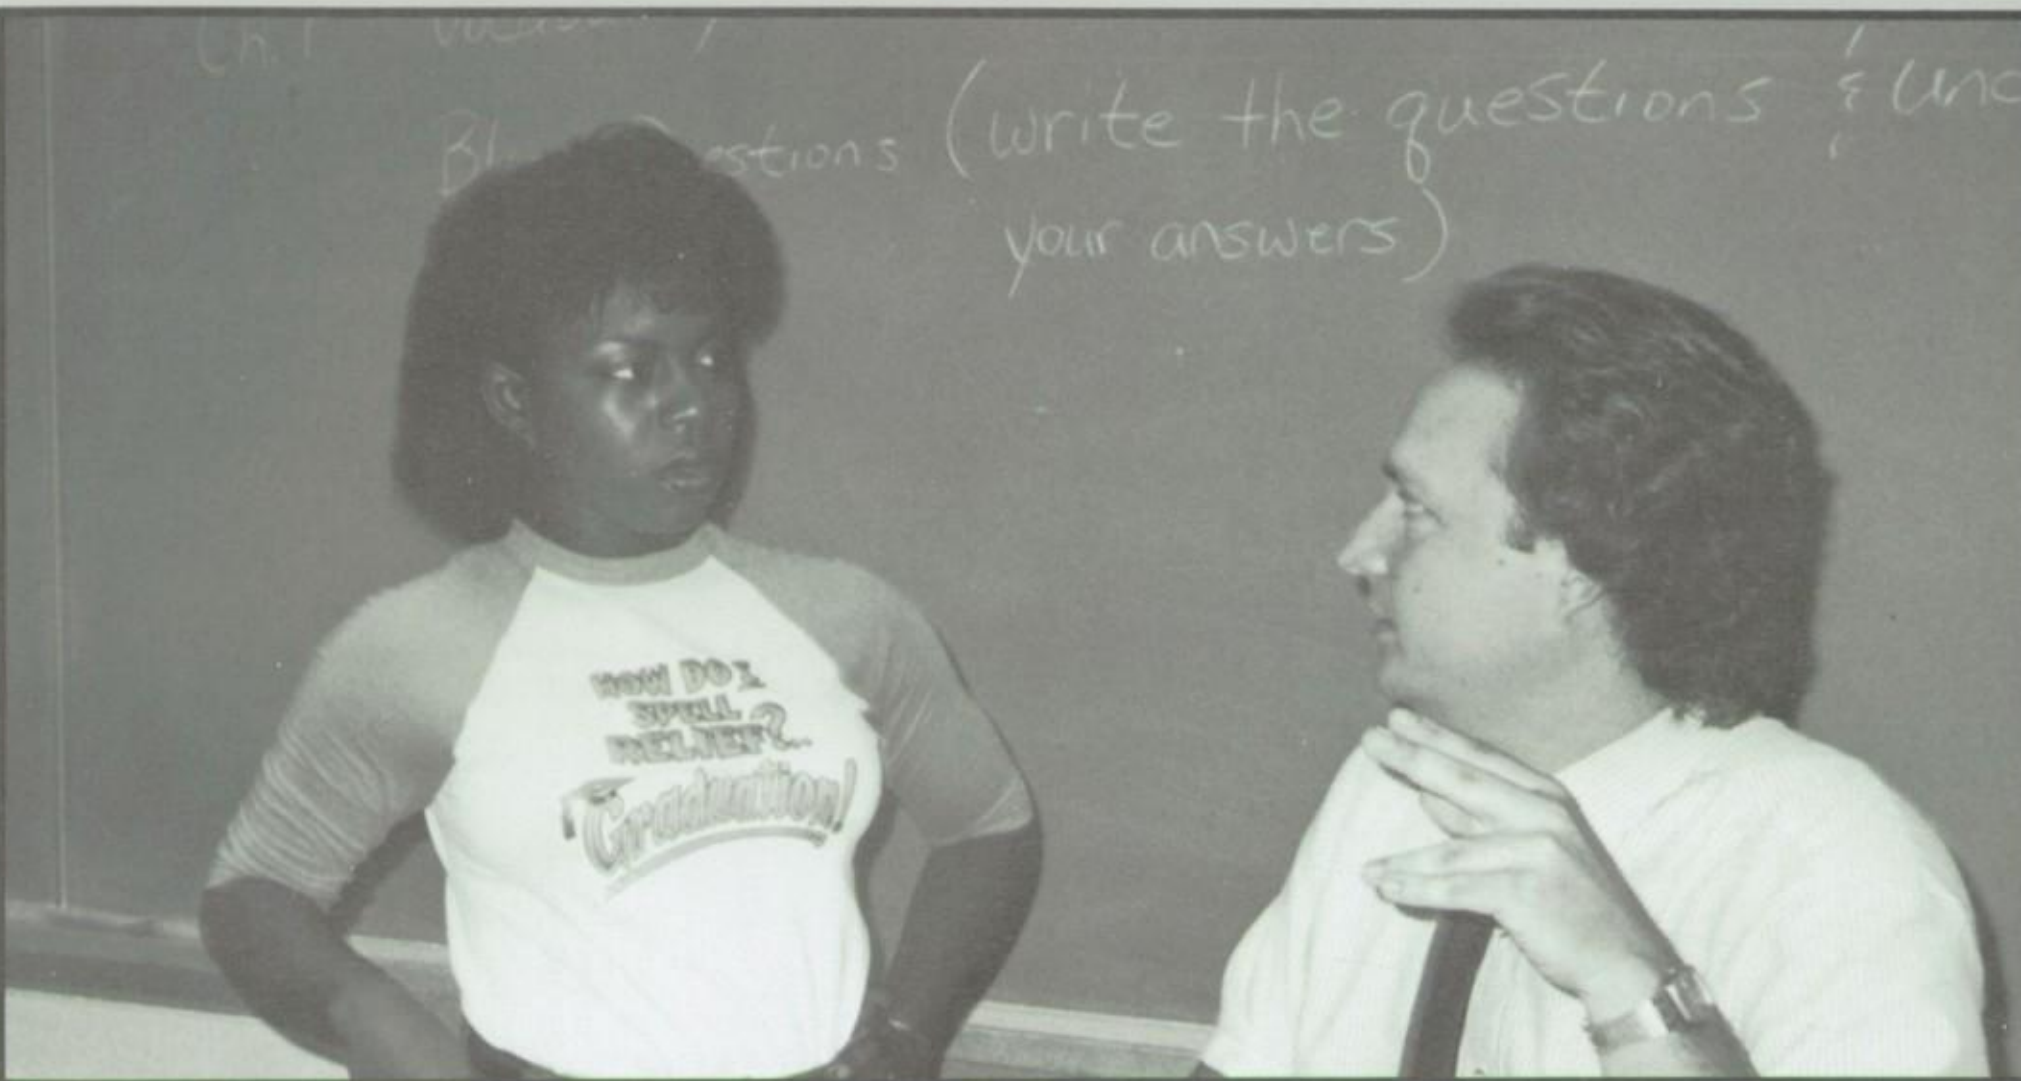

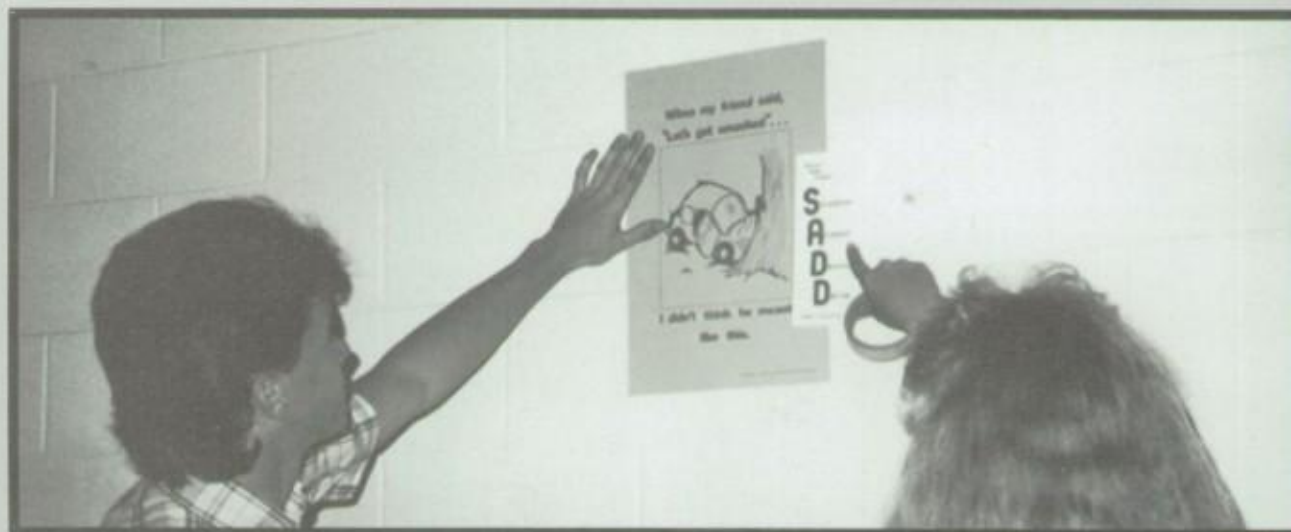

Memories

May be beautiful,
and yet,

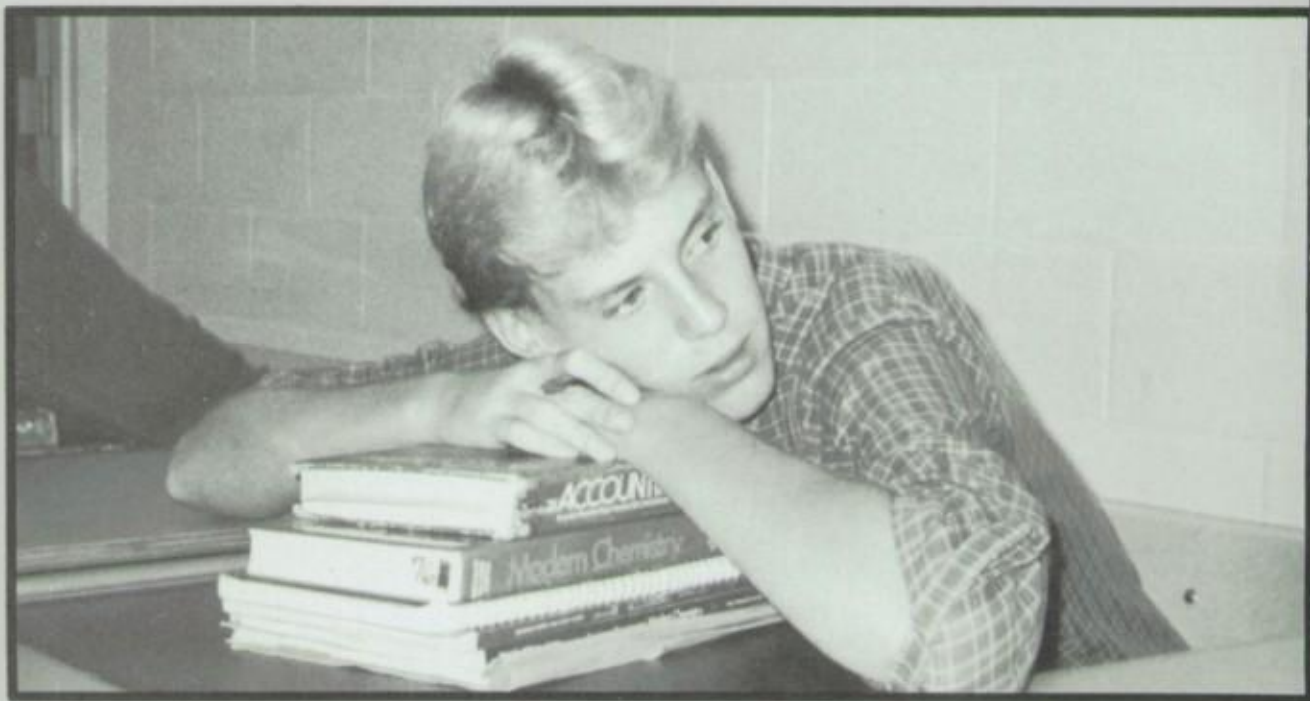

What's too painful

to remember

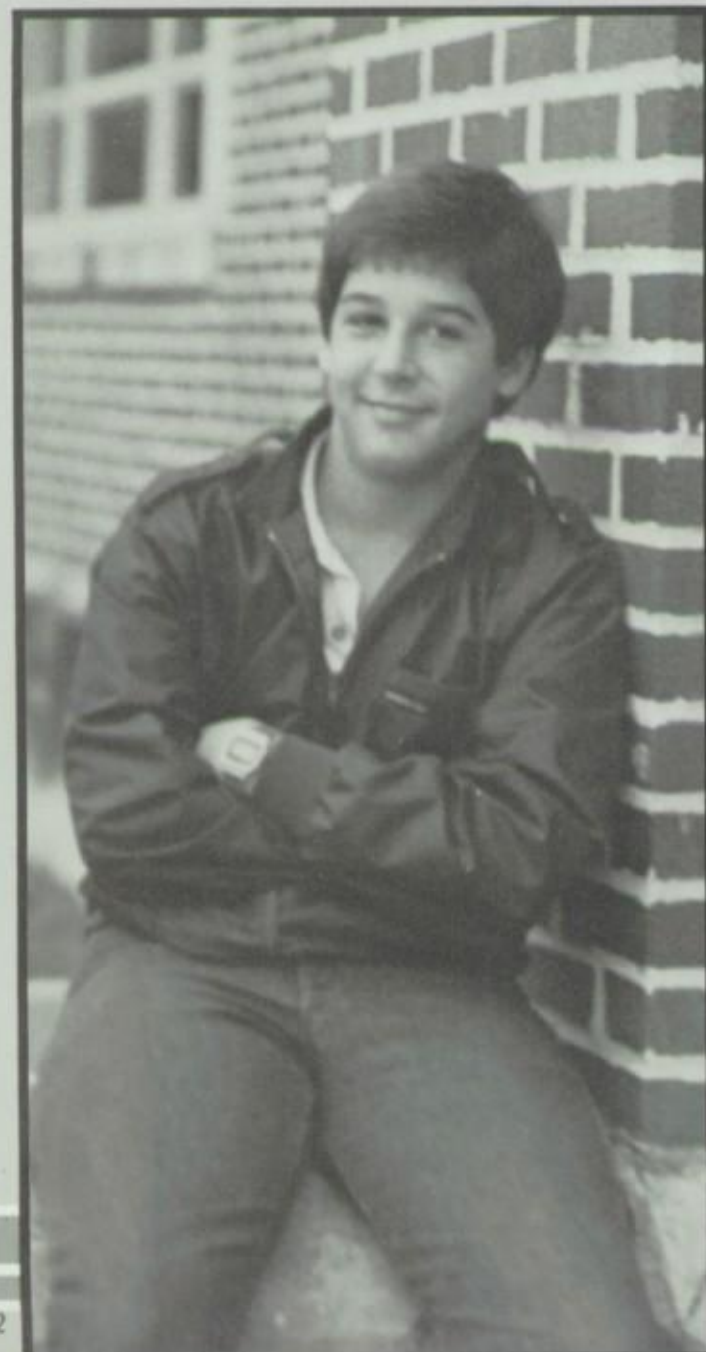

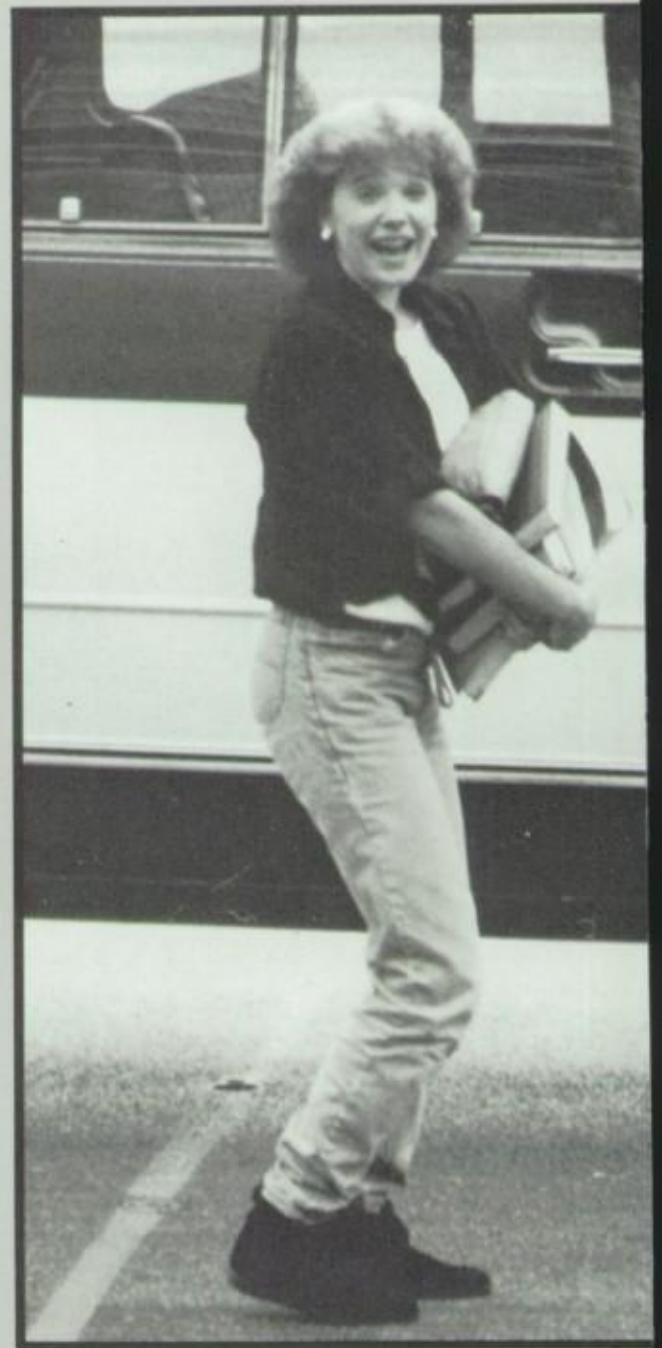

We simply choose

to forget

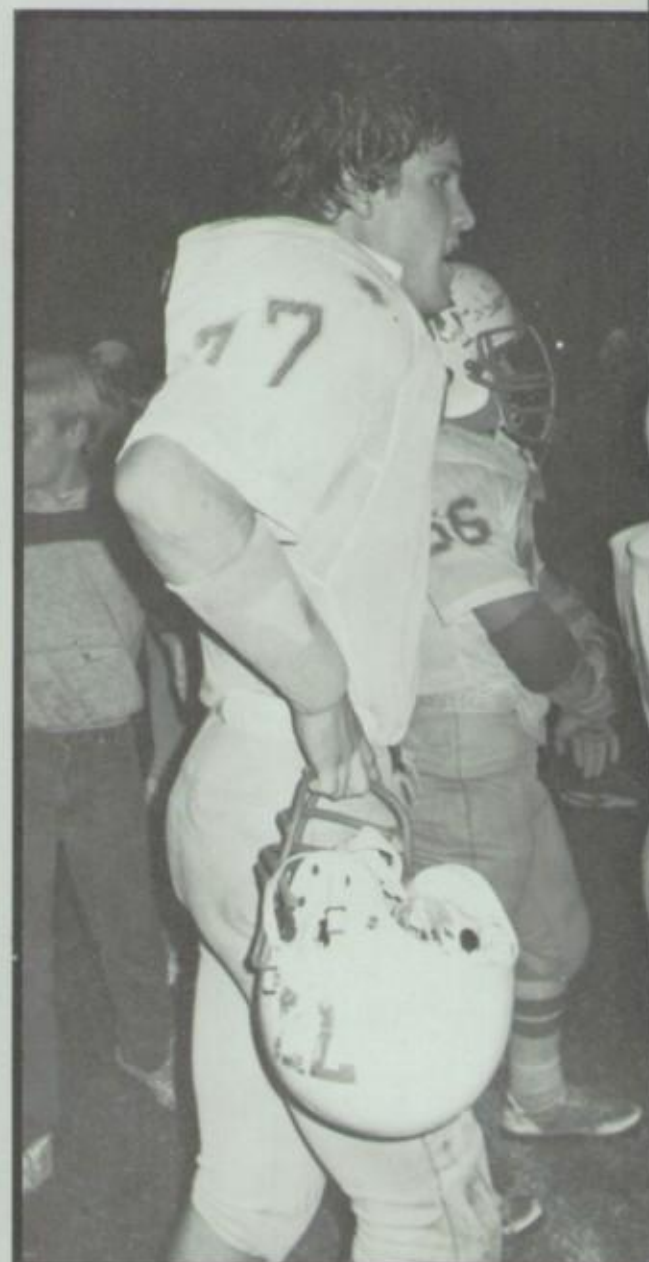

So it's
the laughter

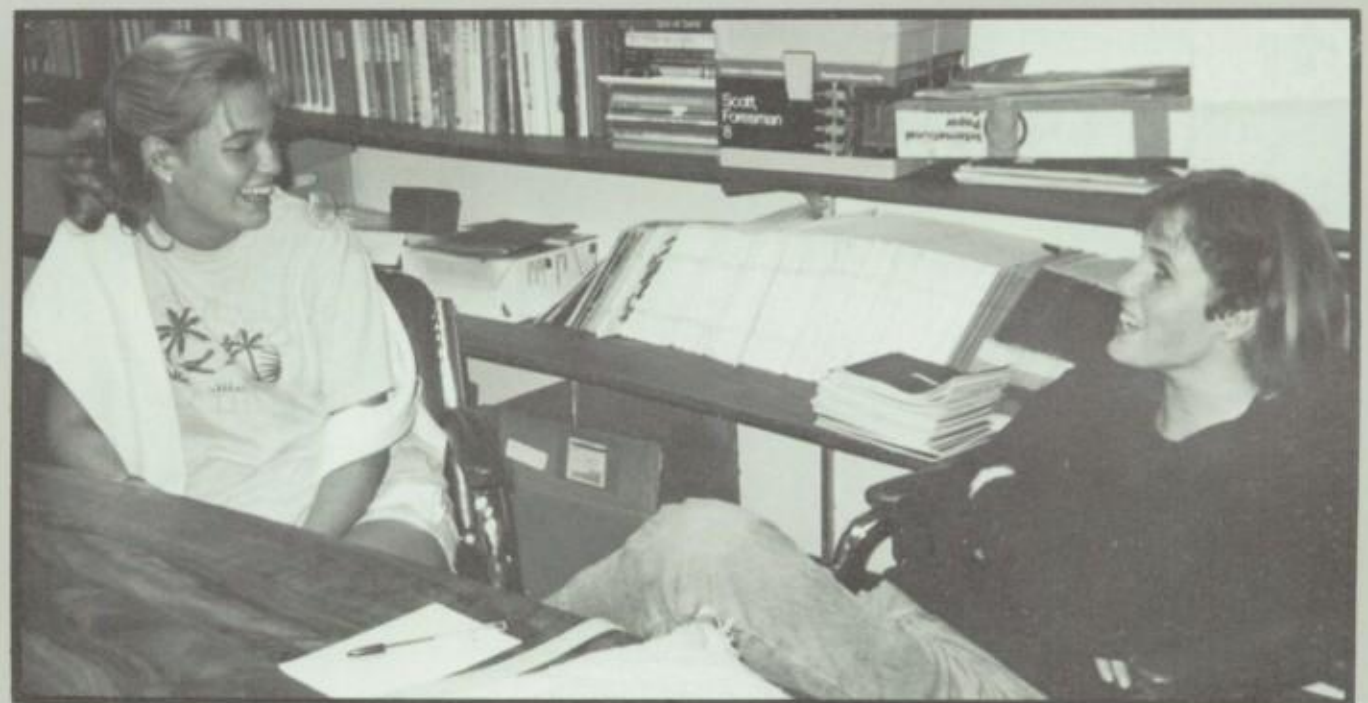

We will remember

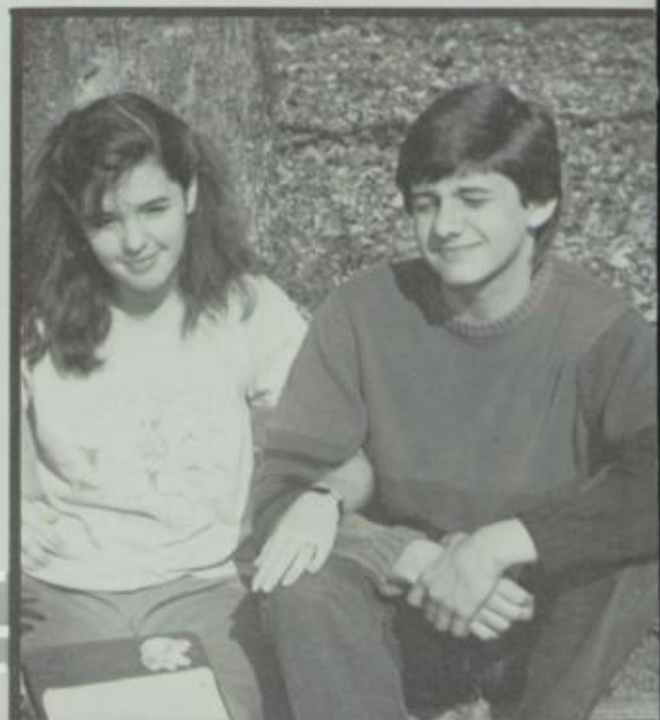

Whenever we
remember

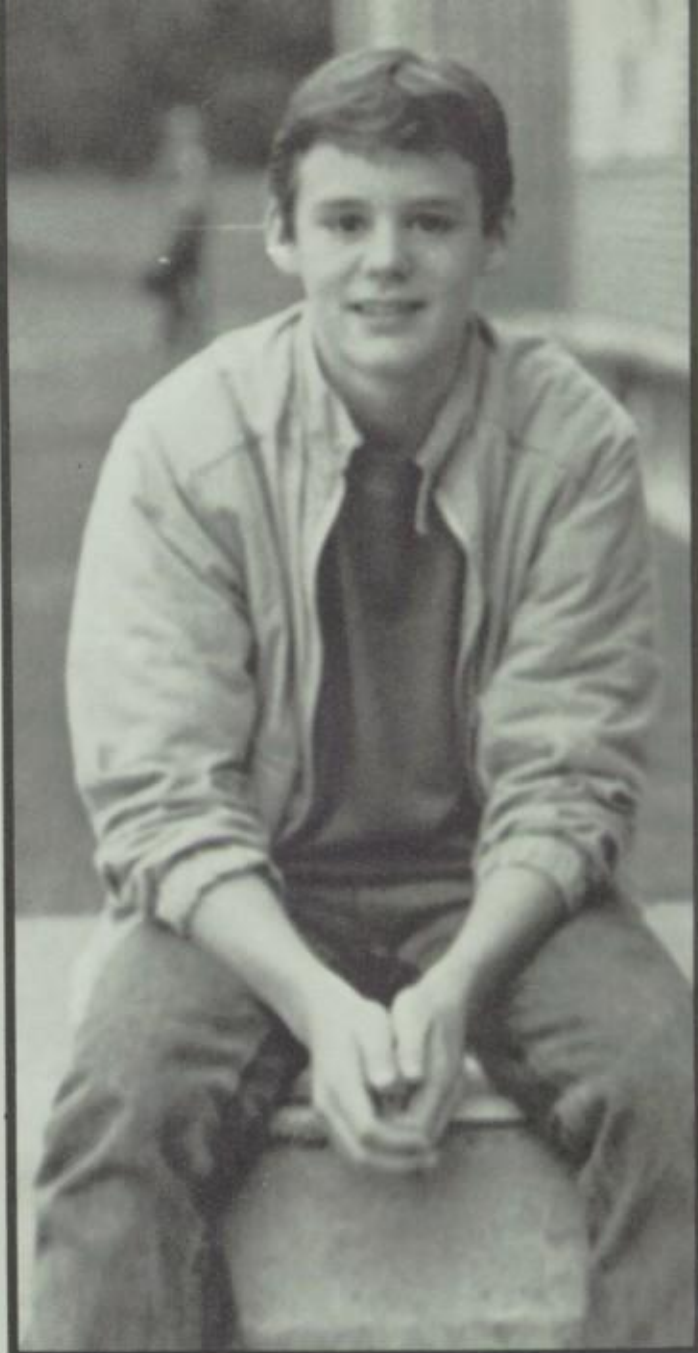

the way we were;

The way we were.

The Night''

May 4 was a special night for the Senior Class of 1985 — it was the night of the Jr.-Sr. Prom. That night was particularly special for Ann Marie Rollins and David Shumway who were named the Prom Queen and King. The Jr. Class, under the leadership of their president, Tracey Cushman, made the evening memorable by setting it against the glittering background of the New York lights, with the overall theme for the occasion being "Tonight's The Night." The prom was held in the ballroom of the Downtowner and the music was provided by the popular band, The Crime.

Jacksonville started off their 1985 Homecoming game with Craig George picking up a fumble, bringing the Eagles their first touchdown of the game. Sparing no mercy, Saks ran for their first touchdown tying the score. However, this lasted only long enough for Brenton Boozer to recover Saks' fumble for Jacksonville. Then, on the second play, Darrell Malone took the ball to the endzone and brought the score to 14-7. Just as the Eagles thought the game was theirs and over, Saks came back and tied up the score. In overtime, the Eagles won the toss and chose defense. Saks was strong and managed to score and bring themselves into the lead

CROSS COUNTRY AT JHS

Cross Country has once again picked up momentum at JHS.

The team's 11 members practiced daily running three to five miles across campus, through forests, over hills, and on many different terrain. Cross

Country consists of running the distance of 5K-10K. It is designed to keep athletes fit during their off-season training. JHS ran

daily to prepare themselves for the State High School Championship in Birmingham. Cross Country is a sport that takes hard work, self-

discipline and stamina. Only the most dedicated athletes can compete successfully in this sport. This sport is gaining recognition throughout the world in marathons and distance runs. It is also catching on in the South.

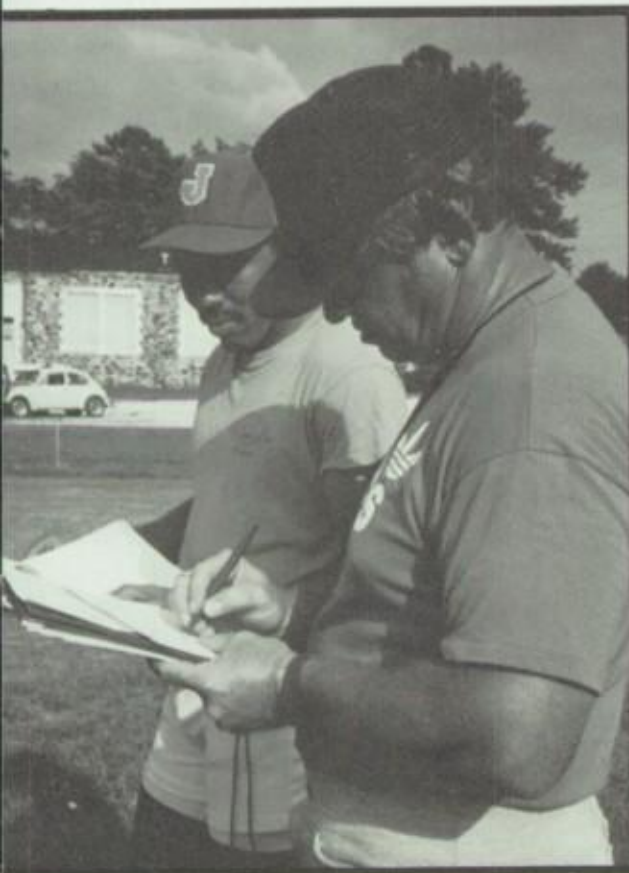

Standing: Terry Collons, Reggie Moser, Jonathan Tompkins, Kenny Law, James Morgan, Milton McKinnon, Kristie H
Coach Slaughter Kneeling: Daniel McNeil, Waldo Sargeant, Ted Porter, Joe Tillery

Country Track team is back after several years. The next season should be even better with former students returning. Cross Country at Jacksonville is a highly motivating sport that all athletes should become involved with!!

The 1985 Sports Season at Jacksonville High was a fantastic one and would not have been possible without the dedication of some very important people. Everyone from the members of the Booster Club to the ticket-takers at the doors of each game has helped make this year a great success. Without these people, the sports program at JHS would be obsolete.

So, from all of the athletes at Jacksonville High, we would like to extend our gratitude to all of the fans, teachers, parents, managers, administrators Coaches and everyone else that made this year a memorable one!

THANKS!!!

... and that was the Year

Student Council membership comes from applicants endorsed by classmates and faculty. To be an acceptable representative, students must maintain a "C" average. Officers participate in state conventions and summer workshops. The Student Council sponsors several student elections, the Miss JHS Pageant, and all Homecoming festivities. Prior to Valentine's Day each year, the Council provides a computer dating service. In the past year, the Student Council presented athletic banners to the school to be hung in the gymnasium honoring outstanding teams in football, basketball, and baseball. A donation was made on the national level to "Save the Lady" for renovation of the Statue of Liberty. On Halloween, representatives dressed in costume and went "Trick or Treating for UNICEF", collecting money in an effort to help eradicate world hunger and disease. A continuing project is to purchase a piano for the auditorium.

Dedication

Mrs. Carolyn Langley

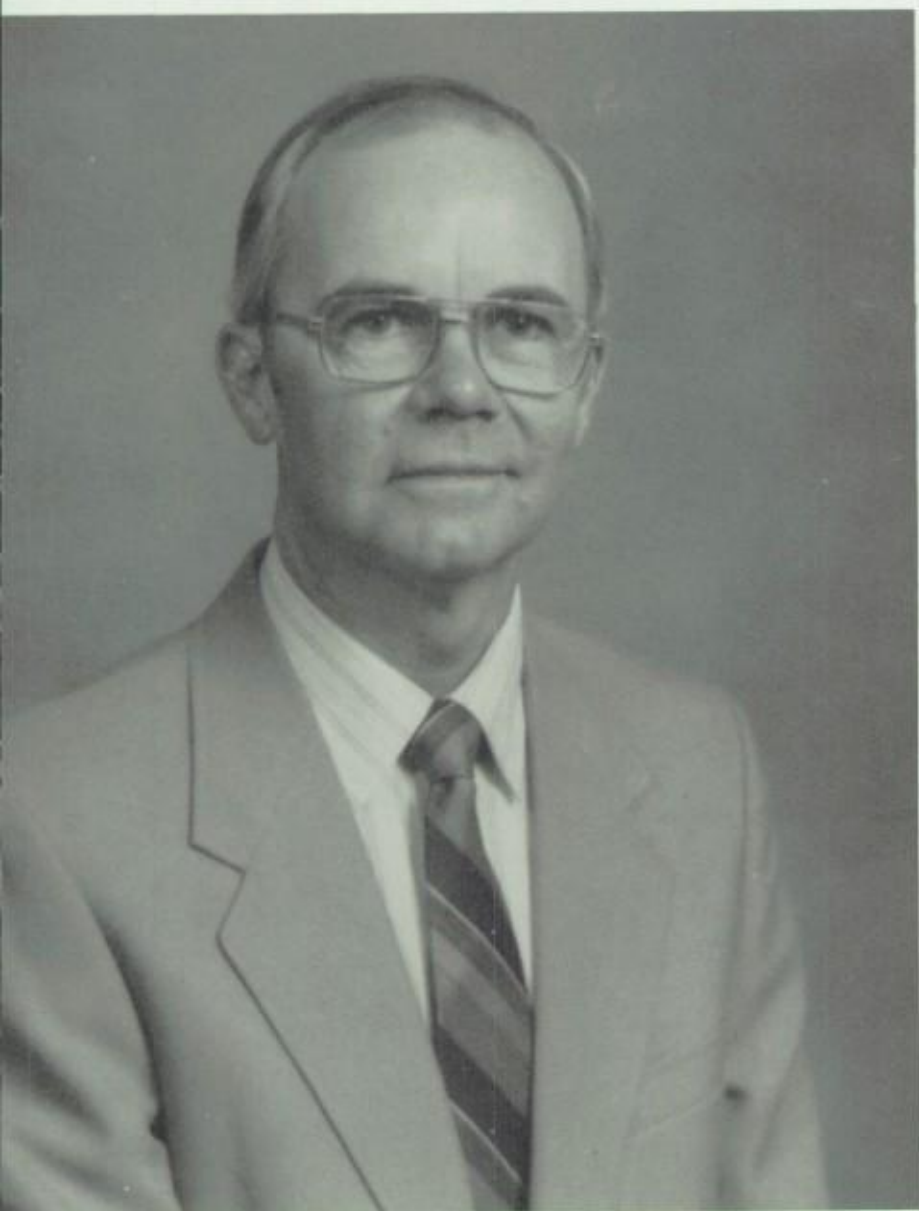

To teach: to impart knowledge or skill to; to give instruction. To cause to learn by example or experience.

Throughout her 12 years of teaching, Carolyn Langley has done all of this and more. She has set for us as students an example we strive to follow; she has made us realize that the roles of teacher, mentor, and friend can all come together into one incredible person.

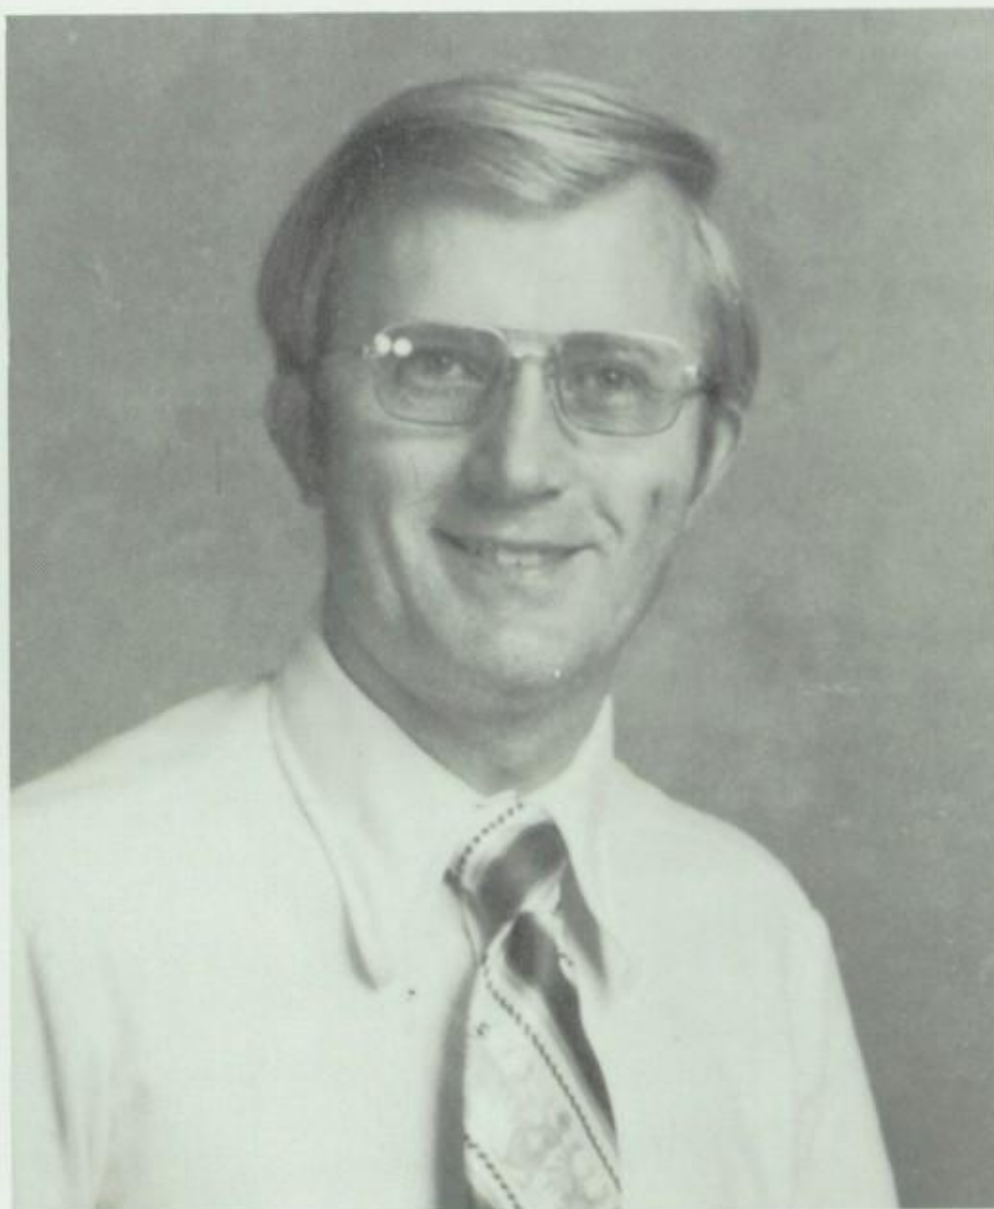

We, the 1985-86 *Ad Annos* staff proudly dedicate Reflections to . . .

Mrs. Edna Brown

Once in a great while a teacher comes along who truly loves her job. Edna Brown was just such a person. For the twenty-five years she taught at Jacksonville High School, Mrs. Brown expressed her appreciation of language and literature with such enthusiasm that her students could not help but become interested. Mrs. Brown retired last year, but will always be remembered by those of us who were fortunate enough to have known her.

Mrs. June Haggerty

This year we are honoring a teacher who has given twenty-six years of devoted service as a math instructor at Jacksonville High School. Known for always being a patient and caring woman, Mrs. June Haggerty taught many different levels of math courses. Mrs. Haggerty will retire at the end of this year, and we wish her all the best.

Mrs. Teresa Suco

Teresa Suco was a teacher with the rare ability to bring her subject matter to life. Textbooks were not the major source of instruction in her class; rather, she used her first-hand experience and knowledge to promote interest in what she taught. Mrs. Suco left the high school last year to begin full-time teaching at Jacksonville State University and to pursue her doctorate. She has been missed.

The 1986 Ad Annos was prepared by the student staff of Jacksonville High School, Jacksonville, Alabama with the help of its faculty advisor and Mr. David Ziegler of Josten's Printing and Publishing Company. The yearbook was published in the Josten's plant of Clarksville, Tennessee.

The 120 point board cover is embossed with French straight grain. The color is basin, with an application of pale gold. The silkscreen design covers both lids.

The 276 pages consist of light gloss paper. There are 24 pages of full color in the book. The staff used headlines of 36 and 42 point with 48 point for division pages. Eight and ten point type are used for body copy. A blocked paragraph form is used. A one pica internal margin is used between pictures. The endsheet art work is silkscreened in navy on light beige.
